How do I get involved?

New AKC Service users

If you have not yet signed up to the Short breaks programme via the local authority you can do so by calling the Short breaks team on 0208 921 3002 or email Short-Breaks-Referrals@royalgreenwich.gov.uk . Once you have done this you can then request what hours and places you would like to attend with AKC during the summer scheme. Once received we will then contact you regarding what we are able to offer.

Existing AKC Service users

If you have accessed the Short Breaks provision specifically with AllKidsCan in the past year then you do not need to go through the original sign up process. You will need to contact the short breaks team to let them know you would like to access the summer scheme specifically. Once this has been done we will then be informed of your referral and we will then contact you once we are able to confirm what we have on offer. (please use details given above).

Cost
£45 per day session

Transport
We have limited spaces for transport to and from the scheme and will be by application to AKC only.

If you have any questions regarding any of the AKC services or would like some support with accessing the programme please feel free to contact us on details below.
